

ALA HYMN

Music: Avelino V. Cruz

Lyrics: Magdangal M. de Leon

Arr. for piano: Avelino V. Cruz

*Working together, building the future
Holding a Beacon, the Laws of our region.
Fostering goodwill, bridges of friendship
Lawyers of Asean together as one.*

*Come, spread the word, Let's heed the call.
Lawyers and Judges and Law teachers all.
Join hands and fight for the freedoms we owe
To Asean Brotherhood, to the Rule of Law.*

*We are brothers all in Asean Land.
Trust and understanding are all ours to share.
We're united as one in our diversity,
 blending cultures & history
Harmonizing our Laws is our mission of hope.
Together, we will reach our cherished dream,
Our fervent pray'r, a vision of justice and peace.
We promise to keep our noble faith,
Our fervent pray'r for a region of progress and peace.*

*ASEAN Law Association!
ASEAN Law! ASEAN Law!*
